

**22.02.2107**

**Object : Declaration of compliance Polyamide tube**

**Reach**

The products made in Castello Italia srl are produced with raw material polymer and pigment masterbatch. According to article 2.9 of REACH Regulation (EC) n° 1907/2006 the polymers are exempted from REACH registration but, we inform you that, we questioned our supplier about the registration of the raw material and additives that we buy from them, and all material are managed according to Reach requirements.

**SVHC- Substance of very High Concern**

In our production is not intentionally added the substances that are listed in the List of SVCH as available on the ECHA website <https://echa.europa.eu/it/candidate-list-table> at the last revision .

In the case of this substance are present in the raw material or additives the percentage are lower than the expected limit.

**RoHS**

According to Directive 2011/65/EU (Rohs Registration of Hazardous Substances) that has replaced the Directive 2002/95/EC , the maximum concentration values tolerated (by weight) in homogeneous materials for the following restricted substances are:

- Cadmium <0,01%
- Hexavalent Chromium <0,1%
- Lead <0,1%
- Mercury <0,1%
- PBB <0,1%
- PBDE <0,1%

Cadmium, Hexavalent Chromium, Lead, Mercury, PBB, PBDE are not used for the manufacture of the above mentioned product.

Therefore , the product is complies with Directive 2011/65/EC.

We inform that Castello Italia does not conduct the specific analysis to confirm the truth of the declaration received by our supplier.
